Sensitive data

Tradex as well as other participating insurers, agents and suppliers may need to collect data which the Data Protection Act defines as "sensitive" such as criminal convictions or medical history in order to assess this proposal, your renewal, make changes to your policy and/or to administer claims.

Motor Insurance Database

It is a legal requirement that details and registrations of the vehicles you own are added to the Motor Insurance Database (MID) which is managed by the Motor Insurers' Bureau (MIB). MID data may be used by certain statutory and/or authorised bodies including the police, the DVLA, the DVA, the Insurance Fraud Bureau, for electronic vehicle licensing, Continuous Insurance Enforcement, preventing and detecting crime, reducing the incidence of uninsured driving and for the provision of government and other services.

Other insurers and the Motor Insurers' Bureau may search the MID to ascertain relevant policy information if you have been involved in a road accident whether in the United Kingdom or abroad. Additionally, anyone with a valid claim following a road traffic accident, including citizens of other countries, may also obtain relevant information which is held on the MID. For more information contact us or visit the Motor Insurance Database section of the MIB website on www.mib.org.uk.

Employers' Liability Register

Financial Conduct Authority regulations require us to publish details of all Employers Liability policies we enter into, renew or under which a claim is made. You are required to provide us with your Employer Reference Number (ERN) and, if a company, your registered address, to enable us to do so. Tradex is a member of the Employers' Liability Tracing Office and details of all policies are available on the tracing office's website at www.elto.org.uk.

Administration, management information and regulatory compliance

The information you supply may be used for insurance administration, management information including portfolio assessment, risk assessment, performance and management reporting, debt collection, offering renewal, research and statistical analysis by Tradex, its associated companies and agents and by other participating insurers and suppliers, disclosed to regulatory bodies for monitoring and/or enforcing the insurers' compliance with any regulatory rules and codes of conduct, shared with other insurers either directly or via those acting for them such as loss adjusters, surveyors and investigators and shared with and checked against various databases, credit reference agencies, fraud prevention agencies and public bodies including the police. We may, in addition, contact you by text or email regarding claims, payment defaults and policy administration.

Fraud detection and prevention

Tradex, other participating insurers and/or their agents and suppliers may, in order to detect and prevent fraud

- request information from and pass claims information to the Claims and Underwriting Exchange (CUE) managed by Insurance Database Services Limited (IDSL) and the Motor Insurance Anti Fraud and Theft Register (MIAFTR) run by the Association of British Insurers (ABI).
- check your identity to prevent money laundering unless you have provided us with satisfactory proof of identity.
- undertake checks against publicly available information such as the electoral roll, County Court Judgments in England and Wales and/or orders or judgments for debt in other jurisdictions, Individual Voluntary Arrangements and bankruptcy orders.
- validate your claims history or that of any insured person or property involved in the policy or a claim.

Motor Insurance Database disclosure

You are required to comply with the regulations relating to the Motor Insurance Database (MID). It is therefore your responsibility to ensure that the MID is kept fully up to date. This means that you have to advise us of every registered vehicle in your possession. If a registration number is not shown correctly on your policy documents or you cannot find your vehicle on the MID at www.askmid.com, you must contact us immediately. If you do not, your vehicle may be clamped, seized or destroyed and other penalties imposed including points on your driving licence.

Cancellations and refunds

If you are not happy with the policy when you receive it, you have a “cooling off period” of 14 days in which to cancel. Any refund given will be subject to the payment of the premium for the period that cover has been in force provided that, if a claim has been made or an incident which may give rise to a claim has occurred, the full annual premium remains payable and no refund will be allowed. A policy charge of £35 plus IPT will also be levied.

If you decide to cancel the policy after the “cooling off period” and there has not been a claim or an incident which may give rise to a claim, premium refunds will be made as outlined below. If your policy is a short term one, i.e. the insurance period is under 12 months, you will not be eligible for a refund.

Part A – Motor

We will refund a pro-rata portion of the premium less 25%. A policy charge of £35 plus IPT will be levied. No refund will be made until you have returned your certificate(s) of motor insurance to us.

Parts B – Legal expenses, C – Road rescue and D – Taxi driver’s personal accident

No premium will be refunded.

Where you pay your premium by a deferred payment scheme of any kind, FAILURE TO PAY an instalment will result in the cancellation of the policy from the date of the default and NOT the date we notify you.

If we cancel the policy, you may be entitled to a pro-rata refund of premium provided there has not been a claim and no incidents have occurred which may give rise to a claim.

NOTE:

Full cancellation conditions and procedures are detailed in the policy which is available to view on www.tradex.com.

It is a legal requirement that, if for any reason the policy is cancelled, you must return all cover notes and certificates of motor insurance. The premium will remain payable until such time as these are received by Tradex.

You may cancel the policy by sending Tradex a formal notice by email to policy.cancellation@tradex.com to confirm the date and time your cover ceased. Alternatively you may print a copy of your certificate of motor insurance on which you confirm the date and time that cover ceased and post a signed copy to

Policy Cancellations, Underwriting Department, Tradex Insurance Company Limited, Victory House, 7 Selsdon Way, London E14 9GL.

If the certificate of motor insurance has been lost or destroyed, you must provide a declaration by email or a statutory declaration to that effect. Where we cancel the policy and you have not, within seven days of receiving our letter, returned these documents in one of the ways outlined above, you will have committed an offence under the Road Traffic Act. The appropriate authorities will be notified and proceedings may be commenced against you, the costs of which you may be liable to pay.

Financial Services Compensation Scheme

Tradex Insurance Company Limited is covered by the Financial Services Compensation Scheme (FSCS) which protects you in the unlikely event that the insurer is financially unable to pay claims made against it. For cover required by the Road Traffic Acts or any other form of compulsory insurance, you would be covered in full for any claim. For all non compulsory insurances, the FSCS will meet a maximum of 90% of any claim for compensation. In both cases, there is no upper limit. Full details are available on the FSCS website www.fscs.org.uk or by writing to

The Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London EC3A 7QU

- I/we declare that the information given and the statements made in this proposal form and any supplementary questionnaires are, to the best of my/our knowledge and belief, true and complete and that I/we understand the implications of "Important information" and "Motor Insurance Database disclosure" on pages 10 and 11. I/we accept that this proposal and any supplementary questionnaires I/we have completed will form part of the contract between me/us and Tradex and that I/we will pay the premium when called upon to do so.
- I/we have read "Providing essential information" above and have provided an answer to the question posed. I/we have not suppressed, misrepresented or failed to disclose any information which would be likely to influence the assessment or acceptance of this proposal. I/we understand any such suppression, misrepresentation or failure may lead to Tradex refusing to pay a claim or reducing the amount paid, cancelling or avoiding the policy and retaining any premium paid.
- I/we understand that any quotation already given may change when Tradex receives and assesses the completed proposal form and any supplementary questionnaire. Tradex has the right to impose special terms or decline this proposal.
- I/we understand that if Tradex does not receive proof of no claim bonus within 30 days of cover incepting, they will charge an additional premium and may, at their option, cancel the policy. I/we understand that if Tradex do not receive a copy of each driver's licence(s) and badge within 30 days of cover incepting, the policy may be cancelled or the driver removed.
- I/we understand that if I/we report an incident more than 14 days after an occurrence involving a vehicle and for which Tradex receives a claim for compensation from a third party, the policy may be cancelled. Tradex may hold any refund of premium against payments they are obliged to make because of their Road Traffic Acts liabilities and also recover any other amounts they become liable to pay due to late notification. In addition, my/our claim for damage to the vehicle may be prejudiced and I/we may forfeit any accrued no claims bonus.
- I/we understand that Tradex may, at any time from my/our completing this proposal and any subsequent documentation to the time the policy is cancelled or lapsed, request information from and pass information to the Claims and Underwriting Exchange (CUE) which is managed by Insurance Database Services Limited (IDSL) and the Motor Insurance Anti Fraud and Theft Register (MIAFTR) run by the Association of British Insurers. I/we understand that any information received will be made available to other insurers and/or the police. I/we understand that this will include the validation of my/our claims history as well as that of any person likely to be involved in this policy or a claim.
- I/we understand that my/our information may be disclosed to regulatory bodies for the purposes of monitoring and/or enforcing compliance with any regulatory rules or codes. I/we consent to Tradex checking other databases including, but not limited to, information held by credit agencies.
- I/we understand that the signing of this proposal form and declaration does not bind me/us to complete the insurance and that cover will not be in force until this proposal has been accepted and confirmation of cover is in my/our possession. I/we agree to accept the terms, conditions, exclusions and limitations of the policy.

For your own benefit and protection you should read "Important information" and "Providing essential information" carefully before signing below. If you have any queries, speak to your broker, agent or to us.
